

March 9, 2011

Dear Members and Professionals,

The first meeting of LVHCA was held on February 4, 2011 at Madame Tussauds Wax Museum in the Venetian Hotel, Las Vegas Boulevard. The attendees have expressed great satisfaction with the meeting and with the tour of this unique attraction in Las Vegas at a fee of \$20.00, inclusive of the Continental Breakfast. However, we were disappointed that only 49 members out of 83 confirmed reservations showed up, leaving us to pay for the absentees.

While the Board of Directors is pleased to provide our members and guests with exceptional guest speakers at attractive locations for the meetings, we must request that **reservations are important and that cancellations thereof require 48 hours notice prior to the meetings**. On this we must insist.

Our up coming breakfast meeting is scheduled for April 1<sup>st</sup>, 2011 at the CILI's Restaurant and we are pleased that the top four Mayoral Candidates have accepted and confirmed their attendance on a special panel. The Panel will be responding to some of the most important questions that relate to the City of Las Vegas, on the present stressed developments and the future prospects. Questions are pre-selected by experts in the field of politics and economics and will be moderated by Mr. Roger Grant, Esq., the Vice President of the LVHCA.

A flier giving detailed information on the guest speakers and other important related matters is attached for your attention.

We look forward to your attendance at this very informative meeting.

Respectfully,

Stanley Monsef, Ph.D., PE  
President  
Board of Directors
